

Dear Builder Member:

When potential homebuyers go to the NAHB website looking for a new home in Southeastern Michigan, they are referred to our website: www.builders.org If they go to the MAHB site, looking for new homes in our area, they are also referred to our website.

To help potential homebuyers find your website, you can now purchase links on www.builders.org.

Each listing includes your company name and a link to your own company website. There is also a category for Custom Builders.

If you have not yet ordered your website listings, please complete the form below and fax back with your credit card payment or mail to BIA offices with your check.

Listings will be added on the first of the month following your order and will run THROUGH DECEMBER 31, 2008.

If you have questions, please call Susan at 248/862-1016.

Thank you.
