Educational

The Professional Women In Building Council of HBA continues to plan educational seminars that offer solutions for industry related issues, as well as professional and personal needs resulting in increased professionalism and success in your career.

Scholarship

As a member of the Professional Women in Building Council of HBA you are eligible to apply for a grant given by the National Association of Home Builders Professional Women in Building Council toward continuing education, certification and other industry-related programs. The National Council also offers grants towards travel to the International Builders Show.

Networking

An added value of membership in the Professional Women In Building Council of HBA is the networking opportunities. Through participation in the various committees, educational programs, social events and community involvement projects, members gain further insight of industry trends on a local level.
